At 9:00, Chairman Smith opened the public hearing on the proposed Grundy County/Titan Urban Renewal Plan.

The report of the designated representative was received with respect to the consultation held for the affected taxing entities to discuss the proposed Plan. The Board was informed that the consultation was held on September 5, 2006, as ordered by the Board, and that no oral or written recommendations were received from affected taxing entities. The report of the designated representative with respect to the consultation was placed on file for consideration by the Board.

Misty Wells, County Zoning Administrator, informed the Board that the proposed Plan had been approved by the Planning and Zoning Commission as being in conformity with the general plan for development of the County as a whole, as set forth in the report of said Commission and placed on file for consideration by the Board.

The Board of Supervisors then confirmed that the owners of all agricultural land included in the area have given written permission for such inclusion. Motion was made by Bakker and seconded by Ross to authorize the chairman to sign the approval statement on the agreement to include agricultural land in the Grundy County/Titan Urban Renewal Area. Carried unanimously.

The Board of Supervisors then confirmed that the joint agreement with Grundy Center, Iowa, is executed and has been placed on file.

The Chairman then asked the County Auditor whether any written objections had been filed with respect to the proposed Plan, and the County Auditor reported that no written objections thereto had been filed. The Chairman then called for any oral objections to the adoption of the Grundy County/Titan Urban Renewal Plan and none were made. The public hearing was then closed.

Motion was made by Ross and seconded by Bakker to introduce Resolution #12-2006/2007.
