

## ATTENTION GRUNDY COUNTY RURAL LANDOWNERS

### SIGN UP NOW FOR DUST CONTROL SERVICE

The Grundy County Engineer's Office has made arrangements with a private contractor, **Jerico Services, Inc.** of Indianola, Iowa, to apply two applications of calcium chloride this summer on the rock surfaced road in front of each Grundy County farm whose owner or tenant enrolls now for the service. Jerico Services, Inc. will be solely responsible for this service. Neither Grundy County nor the Grundy County Board of Supervisors assumes any responsibility for this service.

The service will consist of treating 400 feet of your road with two applications of liquid calcium chloride, once in May and again in July or August depending upon road conditions. The cost of this service is \$408.00 (tax included) for two (2) applications. Additional footage may be purchased in 100' increments for \$102.00 per 100' (tax included).

If you wish to enroll for this service please contact Jerico Services, Inc at 800/397-3977. A "Dust Control Permit" must be signed and approved by Grundy County prior to receiving any dust control. The permits are available from the Grundy County Engineer's Office at 22580 M Avenue, Grundy Center. There is no fee for the permit.

**Should grading or blading of any dust control treated roadway become necessary, by the opinion of the County, due to unsafe roadway surface or weather related conditions, such grading or blading will be done by the County without notice and no refund of application costs or retreatment of surface will be made.**

**The signup deadline for this service is Friday, April 22, 2016. A late fee of \$25.00 will be assessed on permits received after April 22, 2016.**

*Make/Send Check Payable to: JERICO SERVICES, INC.  
PO Box 607, Indianola IA 50125*

### **Notice to Applicators of Used Motor Oil**

**EPA has ruled that used motor oil is no longer permitted on county roads as a dust suppressant. Anyone who applies used motor oil on county roads is in violation of state and federal environmental regulations.**

### **\*PLEASE NOTE FOR 2016\*:**

Please stop by the Grundy County Engineer's Office at any time to pick up flags which will be located outside our office near the front door in a white PVC tube for your convenience. Please mark the start and end location of where you would like the application of dust control. If no flags are posted, Jerico will automatically center the application along your property.

(Contractor Name) (Contractor Address)

Material to be used:	Calcium Chloride	Lignin Sulfonate	Magnesium Chloride
----------------------	------------------	------------------	--------------------

**CONDITIONS OF PERMIT:**

The application and maintenance of chemicals on crushed rock surfaced roads to control dust shall be by permit only, and in accordance with the below Grundy County Fugitive Dust Control Policy and the applicant agrees to the following conditions:

1. Dust control chemicals may be applied by an approved contractor and/or landowner.
2. Materials approved for use on the roads include calcium chloride, and lignin sulfonate.
3. The landowner shall be responsible for maintaining potholes and rough spots in areas applied with dust control chemicals. Should grading or blading of any dust control treated roadway become necessary by the opinion of the County due to unsafe roadway surface or weather related conditions, such grading or blading will be done by the County without notice and no refund of application costs or retreatment of surface will be made.
4. County Engineer’s Office (319/824-6912) shall be notified 5 working days in advance of applying a dust control agent, so the roadway may be properly shaped.
5. Grundy County will not assume responsibility for any dust control service.
6. Grundy County will blade through dust control areas during the month of October to prepare road for winter, without notice to landowner.
