

## **REWARD FOR GRUNDY COUNTY LANDOWNERS**

Grundy County will pay landowners if you permit us to remove existing driveways located along Grundy County paved roads.

Payment will be as follows:

Remove driveway without culvert	\$200.00
Remove driveway with culvert	\$500.00

In addition Grundy County will pay landowners if you permit us to relocate an existing driveway located along a Grundy County paved road to a new location that requires no culvert. Payment will be as follows:

Relocate existing driveway without a culvert, located on a paved road, to a location on a gravel road that does not require a culvert.	\$150.00
Relocate existing driveway with a culvert, located on a paved road, to a location on a paved road that does not require a culvert.	\$250.00
Relocate existing driveway with a culvert, located on a paved road, to a location on a gravel road that does not require a culvert.	\$400.00

When driveways are removed or relocated the existing fill material and culvert will become the property of Grundy County.

Grundy County reserves the right to operate this program within its current Budget.

Should disputes arise, in interpretation of the rules, the ruling of the Grundy County Engineer shall be final.

If you wish to participate in this program please stop at the Grundy County Engineer's Office located at 22580 M Ave., Grundy Center, or phone 319/824-6912.
