

RESOLUTION # 18-2001/2002

WHEREAS, Grundy County Board of Supervisors desires to adopt a policy on conveying subsurface water under the Secondary Road System of Grundy County,

WHEREAS, Section 319.14 of the 2001 Code of Iowa, requires for all work performed within the public right of way of the Grundy County Secondary Road System, a permit must be obtained from the County Engineer,

WHEREAS, Property owners requesting a permit to convey water under the roadway by means of a tile must submit an application to the County Engineer on forms supplied by the County Engineer,

WHEREAS, Upon approval of the permit and completion of the tile crossing, the Grundy County Engineer is authorized to pay, in addition to any tile pipe furnished by the county, up to \$450.00 toward each crossing under a nonpaved public county road and up to \$3,500.00 toward each crossing under a paved public county road,

NOW THEREFORE BE IT RESOLVED by the Grundy County Board of Supervisors adopts the policy on conveying subsurface water under the Secondary Road System of Grundy County.

Passed and approved this 17th day of December, 2001.

Bernard Eilderts, Chairperson
BOARD OF SUPERVISORS
